Camera Kit Return Checklist

Count returned camera gear and accessories against the original checkout. Keep missing items and damage visible without an account or registration.

DEMONSTRATION DATA - NOT AN APP EXPORT

Return reference

Field	Value
Handoff / borrower	DEMO-H01 / Alex
Checked at	2026-10-30 17:00
Original checkout	CAM-01 / Interview kit

Count each item and accessory

Item / ID	Out	Returned	Outstanding	Return condition
CAM-01 camera	1	1	0	No new issue
LENS-01 lens	1	1	0	No new issue
Battery	3	2	1	Two received
Charger	1	1	0	Bent connector

Keep exceptions open

Item	Before	Return observation	Next action
Battery	3 handed out	1 missing	Follow up with borrower
Charger	No issue recorded	Connector bent	Review damage; keep note

Keep the original checkout. Do not close the handoff while items remain outstanding. Condition notes record observations, not a determination of liability.
